Mr. M-AT.
RD 19/1/25

About three years ago, we moved a resolution in this Srinivaspur Municipal council, for the location of a unani dispensary in our village for the benefit of the suffering poor, not only residing in our village proper, but also in the vicinity. The council very sympathetically approved of our proposal and placed the resolution before the Jalgonda village union, with a view to understand what grant the union would volunteer to give, if such dispensary is opened in the village. The union sent back the resolution to the council, with a definite resolution that they would allow a grant of Rs 5 per mensem.

A recomendation with a the resolution of the council, along with the proposal and grant of the union was then submitted to the president, District Board for approval. The district Board, after holding an enquiry into the matter and having personal conversation with one Mahomed Ameer Saheb, a Unani Hakim (physician) fortunately settling at Jalgonda, reccomended the case to the Government for kind approval, along with the testimonials, etc, of the aforesaid Hakim-Saheb

Is he a member of the village Panchayat

The Hakim Saheb in question has been doing very good work, in general, and during the last outbreak of cholera in the village his unselfish work requires special mention.

Though we were anxiously expecting the approval of the benign Government in this matter from the last one year, still nothing has been done up till now.

In the light of the above circumstances, we crave your indulgence, to be so good as to approve of our resolution relating to the location of the unani dispensary in the village and appoint the said Hakim Saheb to be in charge of the dispensary.

Is the V.P. agreable to the appointment of any other Qualified Hakim or Vaidyar?

For which act of kindness and right hand sympathy, we shall as in duty bound be ever grateful,

Yadigollu

May it please your Excellency :—

We the Citizens of Tadigolla Village, Srinivasapur taluk, Kolar District, beg to represent the following few lines for your Excellency's kind consideration and sympathetic response.

We had submitted, times without number, many petitions, to the President District Board, by commission, to locate a Govt. Dispensary for the benefit of the villagers surrounding our village and appoint Mr. Hakim Muthulu Saheb, an able Govt. Physician, who is famous throughout the Kolar District.

About a year back, we received an Announcement from the President District Board, that as a Govt. Hospital is quite necessary for the village but the aforesaid Hakim Muthulu Saheb, can not be appointed as he is the member of the Taluk Board as village Munsif: Consequently we arranged with the said Hakim Saheb, to have the two posts resigned and subsequently the posts were resigned as the intimation was sent to the President Dist. Board and Dy. Commissioner of Kolar Dist.

Before this, the testimonials and Certificates of the said Hakim Saheb was personally examined as a Certificate was given as to the ability of the Hakim Saheb.

Up till now, we have received no response from the Authorities and our people are deeply feeling the effects of not procuring the medical aid in time, the nearest Hospital being 9 miles away from our village & upper.

In the light of the above Circumstances, we the Citizens, most friendly request your Excellency to kindly order that a Govt. dispensary

-s located in our village and the
Sai Nathi Baba who has been
affording all medical help to us from
the past 30 years.

In which case of illness
we night Rani by instantly we
shall pray the your Excellency life
and prosperity.

We beg to Remain
